

## **ERIC PADGET**

### ***Governing Board Member, Placentia-Yorba Linda Unified School District***

It has been my honor to serve this community for the past 8 years as your school board trustee. Every child deserves a high quality public education that is achieved by having strong partnerships between the district, parents, teachers, support staff and the community. Working together, teachers and parents set expectations for student academic achievement and promote responsibility, respect, and self-discipline in a safe learning environment. I am very proud of the numerous opportunities we provide to our students. The Placentia-Yorba Linda Unified School District has a nationwide reputation for the excellent educational programs we have developed and implemented. PYLUSD is recognized for outstanding academics, top notch performing and visual arts programs and CIF winning sports programs. Additionally, access to current technology is vital for preparing students to meet today's challenges whether they choose college or career pathway. I have and will continue to promote policies that support student achievement and academic success. My education background as a classroom teacher, program supervisor and administrator have provided me with a variety of experiences that help me better understand our students and community. I would be honored to serve another term as your elected school board trustee in the Placentia-Yorba Linda USD.
