

## Teaching Contract Workshop

What is the difference between a temporary and probationary contract? What is tenure? Can I take a job in another district if I get a better offer during the school year? Does my contract mean I will be teaching in the assignment I was promised? What relationship does my evaluation have with my contract? These are just some of the topics that will be addressed in the workshop. Come and join us to learn more about the ins and outs of your profession.
