- ◆ How we calculate your CalSTRS monthly retirement benefit.
- ◆ The options you can choose if you want to provide a lifetime monthly benefit to your survivors—and how each option would affect your monthly benefit.
- ◆ Your choices for receiving the funds in your Defined Benefit Supplement account, if you have one.
- ◆ Ways to submit your Service Retirement Application.
- ◆ What you need to know if you return to work in the California public school system in retirement.

For a more personalized understanding of the information covered, you're encouraged to bring your most recent *Retirement Progress Report*, which you can print from your *myCalSTRS* account. You're also encouraged to bring your questions.

Do not miss this unique opportunity to gain control of your financial future!
