

AP^{LE} Workshop

Prioritizing Special Education Issues

presented by CTA's Karen Taylor

This training introduces the key components of an effective organizing plan in order to address special education issues and advance meaningful solutions.

Thursday
March 19th

4:00 pm to
5:30 pm

1250 N Lakeview Ave
Ste A
Anaheim CA 92807

Participants will be equipped to implement a listening program focused on special education and to use data to guide problem-solving, prioritize needs, and strengthen both site-based and districtwide organizing efforts.

To register by March 17th
